*(See back for FULL list of dates for 2017)*

Members will be invited by letter (to the Friday or Sunday grading), prior to the grading weekend, if it is felt that they are ready (based on session count, attitude, technical knowledge, consistent training, ability to uke/ukemi).

Please remember that not everyone will be ready to grade at every grading examination. It is important that members remember their techniques from previous gradings in addition to those needed for their next grading. Therefore, we shall be selecting fewer students to participate in this grading in order to allow some members extra time until they are tested again to avoid undue pressure during classes. Thank you for your understanding.

NB: You do not need to attend training on the grading sessions if you have not been invited to test.
