It has now been 6 years since the last Shioda Memorial and we felt it was a great time to restart the tradition again. A whole day's training with clubs from up and down the country all celebrating and following the teachings of Gozo Shioda. There will be time for demonstrations from all the clubs at the end of the day.

As this is the first Memorial for some time, we welcome everyone's support and help in making this a successful day. If you would like to attend you can [book](#) tickets and if you would like to help out or teach then please [contact us](#).

The More People Attend The Cheaper It Becomes

To hire the hall the cost comes in at £400 for the day, so the more people attend the lower the cost.

If just 10 attend the cost would be £40 each, but if we have 40 people attend it will be £10 each for a full days training. We have set the ticket price at £10 assuming around 40 people will be able to attend, if we take any more money than this it will be donated to Mind the Mental Health Charity.

Tickets to be purchased in advance as the full cost of the hall hire is to be paid before the seminar begins.

Book your ticket now to help the smooth running of the seminar.
