

Kenshinkai - Newsletter - July 2026

NO MORE CASH PAYMENTS

- Please note that as of 1st September 2026 we are no longer able to accept **ANY** cash payments (for monthly fees, gradings, clothing/equipment etc.)
- Your monthly fees should be paid by a Standing Order (on the same date each month) **which you are in control of**.
- Monthly fees should be paid **EVERY** month even during holiday time as the fees are calculated based on the number of sessions available in the year and divided monthly.
- Any "one-off" payments (e.g. gradings) should be made using a Bank Transfer to the following account:
Sort Code: 20-69-34
Account Number: 10538787
Account Name: Ken Shin Kai Hampshire
Reference [USE MEMBERS NAME]

ADVERTISING (IMPORTANT)

- In order to prevent classes closing or an increase in fees we need **YOU** to support advertising.
- Kenshinkai is a "not-for-profit" organisation run by the members for the members. Nobody is paid as everyone (including instructors) are volunteers who offer their time for FREE.
- If we do not have sufficient members attending a particular class, we will have to consider closing that class.
- Please assist with advertising by distributing the A5 leaflets and sharing the website to friends / family / work colleagues etc. (Please ensure you obtain permission from the company to place leaflets or share website links if needed).

THANK YOU FOR YOUR SUPPORT

SUMMER BREAK

FRIDAY 24TH JULY - FRIDAY 4TH SEPT

All classes are cancelled (inclusive of these dates) for the summer break. Classes resume on Sunday 6th September.

PLEASE NOTE

The breaks are based on past attendance. Despite having a long summer break, we note that July classes are poorly attended by adult members (particularly Sunday). We may have to consider closing the adult classes earlier (beginning of July) if they are not supported!
